Sommario/riassunto

Corporate Social Responsibility, Sustainability and Corporate Citizenship are now essential elements of modern business. Responsible Business is a vital ""how to"" guide providing information on all aspects of the CSR process. This highly accessible book is full of insights from those responsible for implementing CSR strategy inside companies - whether as CSR managers or at top management level - with coverage of all the important aspects of CSR - from what a sustainability manager's job involves, how to handle stakeholder dialogue, supply chain management to auditing, CSR and the law,
