Sommario/riassunto	Meet Leah and Chris; raised on Harry Potter, New Labour and a belief that one day they would be as 'special' as their parents promised. But what happens when those dreams don't become reality? Follow Leah and Chris over these twenty years as they realise the future they were promised as children hasn't turned out as they hoped, against the backdrop of an asteroid heading for earth. Told through performance and live music on multiple stages, with support from a different Humber Street Sesh band every night, this is Welly like you've never seen it before.
