Note generali	Description based upon print version of record.
Sommario/riassunto	Contemporary Tourism Reviews will provide you with critical, state-of-the-art surveys of all of the major areas of tourism study to people who are coming to a topic for the first time. The CTR series provides accessible and structured overviews to all areas of research in the broadly defined subject of tourism with links to original sources of information, sites, books and journals as well as a complete glossary of terms, allowing the reader to research as deeply as they wish. Available instantly as downloads, each review provides the equivalent of 30-40 printed pages in an interactive PDF for
