1. Record Nr. UNISA996389737103316

Autore	Williams Gryffith <1589?-1672.>
Titolo	O antichristos. The great Antichrist revealed, before this time never so fully discovered [[electronic resource]] : a treatise in three books : wherein is opened all the prophesies in the Scriptures concerning the great Antichrist, compared with the expositions of ancient fathers and modern authors, both Protestant and Papists of all sorts : and from thence (besides other points of moment) these particulars following treated of ... : in each book it is enquired, whether it doth not appear by matters of fact, that the prevalent party of the long Parliament and their adherents have acted what was foretold should be done by the great Antichrist, killing the two witnesses, and thereby did become the visible body of the great Antichrist : and whether the assembly of divines, together with the Independents, Anabaptists and lay preachers, be not the false prophet, and mystical soul of the same Antichrist : the author determineth not, but requesteth all Christians first to reade, and then judge, with consideration had of his protestation in the next page / / by Gr. Williams L. Bishop of Ossory
