Sommario/riassunto	Blood doesn't just make her who she is...it also makes her what she is. Like being a sixteen-year-old vampire isn't hard enough, Tessa's throwback human genes make her an outcast among her relatives. But try as she might, she can't get a handle on the vampire lifestyle and all the...blood. Turning her back on the vamp world, she embraces the human teenage lifestyle—high school, peer pressure and finding a boyfriend. Jared manages to stir something in her blood. He's smart and fun and oh, so cute. But Tessa's dream of a having the perfect boyfriend turns into a nightmare when vampires attack the movie theatre and kidnap her date. Once again, Tessa finds herself torn between the human world and the vampire one. Will blood own out? Can she make peace with who she is as well as what? Warning: This book ends with a cliffhanger! Book 2 picks up where this book ends.
