| Note generali | "To the un-byassed reader" is signed: Theodorus Verax, i.e. Clement Walker.
"An appendix to The history of independency" has separate dated title page and pagination; register begins with 2a1. |

Catchword on p. 18 (second count): 8. Argyle.

Incorrectly identified on film as Wing W329B. Possibly an edition of Relations and observations, historicall and politick, upon Parliament, begun Anno Dom. 1640, lacking the general t.p. and first register. The special t.p. for The history of independency moved from E1 and bound in as a replacement for the general t.p.

Imperfect: all after p. 18 (second count) are lacking. Stained, with some print show-through.

Reproduction of the original in the Cambridge University Library.
