16 Jewish Intellectuals and the De-Christianization of American Public Culture in the Twentieth Century; AFTERWORD; 17 Later Stages of the Recovery of American Religious History

Sommario/riassunto

The eighteen essays collected in this book had their origin in a conference of the same title, held at the Wingspread Conference Center in October of 1993. Leading scholars were invited to reflect on their specialties in American religious history in ways that summarized where the field is and where it ought to move in the decades to come.
