

1. Record Nr.	UNICAMPANIASUN0053323
Autore	Bojarincev, Jurij E.
Titolo	Methods of solving singular systems of ordinary differential equations / Yuri Boyarintsev ; translated by Vassily Michalkowski
Pubbl/distr/stampa	Chichester, : Wiley, 1992
Titolo uniforme	Metody resheniya vyrozhdennykh sistem obyknovennykh differentsialnykh uravneniy. English
ISBN	978-04-7193-163-8
Descrizione fisica	VI, 163 p. ; 24 cm.
Soggetti	65-XX - Numerical analysis [MSC 2020] 15A09 - Theory of matrix inversion and generalized inverses [MSC 2020] 65L10 - Numerical solution of boundary value problems involving ordinary differential equations [MSC 2020] 65F20 - Numerical solutions to overdetermined systems, pseudoinverses [MSC 2020] 34B05 - Linear boundary value problems for ordinary differential equations [MSC 2020]
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
