A brief history of the TNI and its current structure ; Methodology for estimating the gross revenue and net income of the TNI's off-budget activities.

Sommario/riassunto

"Describes the evolution of the military's business empire and its decline after 1998. Examines what is necessary to bring the Indonesian military "on-budget": what policies are required, what Indonesia can learn from other nations, and what a realistic timetable looks like"-- Provided by publisher.
