Sommario/riassunto	Altars are powerful symbols, but during the early modern period they became a religious battleground. Altars Restored examines a time when religious lives were fundamentally challenged. By looking at what happened physically in local churches, the book recaptures the experience of the ordinary parishioner in this period of religious change. - ;Altars are powerful symbols, fraught with meaning, but during the early modern period they became a religious battleground. Attacked by reformers in the mid-sixteenth century because of their allegedly idolatrous associations with the Catholic sacrifice
