

1. Record Nr.	UNICAMPANIASUN0102568
Autore	Constanda, Christian
Titolo	Mathematical methods for elastic plates / Christian Constanda
Pubbl/distr/stampa	X, 209 p. ; 24 cm
ISBN	8-1-4471-6433-3
Edizione	[London : Springer, 2014]
Descrizione fisica	Pubblicazione in formato elettronico
Soggetti	74K20 - Plates [MSC 2020] 74G10 - Analytic approximation of solutions (perturbation methods, asymptotic methods, series, etc.) of equilibrium problems in solid mechanics [MSC 2020] 45F15 - Systems of singular linear integral equations [MSC 2020] 31A10 - Integral representations, integral operators, integral equations methods in two dimensions [MSC 2020] 74G22 - Existence of solutions of equilibrium problems in solid mechanics [MSC 2020]
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
