1. Record Nr.   UNICAMPANIAVAN00114898

   Autore   Seshadri, Conjeeveram S.

   Titolo   Introduction to the theory of standard monomials / C. S. Seshadri

   Pubbl/distr/stampa Singapore, : Hindustan book agency, : Springer, 2016

   Titolo uniforme   Introduction to the theory of standard monomials

   Edizione   [2. ed]

   Descrizione fisica XVI, 224 p. : ill. ; 24 cm

   Soggetti   13F15 - Commutative rings defined by factorization properties (e.g.,
                       atomic, factorial, half-factorial) [MSC 2020]
                       14-XX - Algebraic geometry [MSC 2020]
                       14M12 - Determinantal varieties [MSC 2020]
                       51M35 - Synthetic treatment of fundamental manifolds in projective
                       geometries (Grassmannians, Veronesians and their generalizations)
                       [MSC 2020]

   Lingua di pubblicazione Inglese

   Formato   Materiale a stampa

   Livello bibliografico Monografia
