Livello bibliografico	Periodico
Sommario/riassunto	<p>The Journal of Latinx Psychology publishes original scholarship on topics relevant to U.S.-based Latinx communities. We are particularly interested in manuscripts that present novel empirical research, innovative theoretical frameworks, or literature reviews that summarize and advance theories pertinent to Latinxs. We welcome a diverse range of methodological approaches (i.e., quantitative, qualitative, mixed method).</p> <p>We encourage submission of manuscripts on topics such as:</p> <ul style="list-style-type: none"> - immigration, migration, and adaptation processes; - health, mental health, and wellness; - religion and spiritualityLatinx youth and families; - developmental processes, including identity issues; - social justice, policy, and advocacy; - education and training of psychologists.
