

1. Record Nr.	UNICAMPANIAVAN00294065
Autore	Pott, Alexander
Titolo	Finite Geometry and Character Theory / Alexander Pott
Pubbl/distr/stampa	Berlin, : Springer, 1995
Descrizione fisica	vii, 181 p. ; 24 cm
Soggetti	05-XX - Combinatorics [MSC 2020] 05B05 - Combinatorial aspects of block designs [MSC 2020] 05B10 - Combinatorial aspects of difference sets (number-theoretic, group-theoretic, etc.) [MSC 2020] 05B25 - Combinatorial aspects of finite geometries [MSC 2020] 05B30 - Other designs, configurations [MSC 2020] 11R04 - Algebraic numbers; rings of algebraic integers [MSC 2020] 11T24 - Other character sums and Gauss sums [MSC 2020] 20B25 - Finite automorphism groups of algebraic, geometric, or combinatorial structures [MSC 2020] 51-XX - Geometry [MSC 2020] 51E15 - Finite affine and projective planes (geometric aspects) [MSC 2020] 51E30 - Other finite incidence structures (geometric aspects) [MSC 2020] 94A55 - Shift register sequences and sequences over finite alphabets in information and communication theory [MSC 2020] 94B15 - Cyclic codes [MSC 2020]
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
