

1. Record Nr.	UNICAMPANIAVAN0058746
Titolo	Spin glasses / Erwin Bolthausen, Anton Bovier (eds.)
Pubbl/distr/stampa	Berlin, : Springer, 2007
Titolo uniforme	Spin glasses
ISBN	978-35-404-0902-1
Descrizione fisica	IX, 179 p. ; 24 cm
Soggetti	60K35 - Interacting random processes; statistical mechanics type models; percolation theory [MSC 2020] 82B44 - Disordered systems (random Ising models, random Schrödinger operators, etc.) in equilibrium statistical mechanics [MSC 2020] 82C44 - Dynamics of disordered systems (random Ising systems, etc.) in time-dependent statistical mechanics [MSC 2020] 82B20 - Lattice systems (Ising, dimer, Potts, etc.) and systems on graphs arising in equilibrium statistical mechanics [MSC 2020] 60K37 - Processes in random environments [MSC 2020]
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Pubblicazione disponibile anche in formato elettronico
