Autore Hermann, Martin

Titolo Nonlinear ordinary differential equations : analytical approximation and numerical methods / Martin Hermann, Masoud Saravi

Pubbl/distr/stampa [New Delhi], : Springer, 2016

Titolo uniforme Nonlinear ordinary differential equations

Descrizione fisica XVI, 310 p. : ill. ; 24 cm

Altri autori (Persone) Saravi, Masoud

Soggetti 65-XX - Numerical analysis [MSC 2020]

34C23 - Bifurcation theory for ordinary differential equation [MSC 2020]
65Lxx - Numerical methods for ordinary differential equations [MSC 2020]
34-XX - Ordinary differential equations [MSC 2020]
65L10 - Numerical solution of boundary value problems involving ordinary differential equations [MSC 2020]
34A34 - Nonlinear ordinary differential equations and systems, general theory [MSC 2020]
34A35 - Ordinary differential equations of infinite order [MSC 2020]
34B15 - Nonlinear boundary value problems for ordinary differential equations [MSC 2020]
