Sommario/riassunto	American Imago was founded by Sigmund Freud and Hanns Sachs in the U.S. in 1939 as the successor to Imago, founded by Freud, Sachs, and Otto Rank in Vienna in 1912. Having celebrated its centenary anniversary in 2012, the journal retains its luster as the leading scholarly journal of psychoanalysis. Each issue features cutting-edge articles that explore the enduring relevance of Freud's legacy across the humanities, arts, and social sciences.
