Sommario/riassunto	he Journal of Neuroscience, Psychology, and Economics® (JNPE) is the first peer-reviewed scholarly journal that publishes original research at the interface of neuroscience, psychology, business, and economic sciences. An interdisciplinary journal, JNPE serves as an appropriate outlet for articles designed to be of interest to its broad audience of scholars and professionals. Manuscripts that use scientific methods in psychology, neuroscience, or economics to better understand any topic of relevance to economics or business are appropriate for submission. Of special interest are studies aiming at the investigation of causal relationships, e.g., intervention studies.
