Sommario/riassunto	<p>The aim of the British Journal of Guidance & Counselling is to publish work that sets trends and provokes fresh thought and innovation in the practice and understanding of counselling, psychotherapy and career guidance. The journal seeks to communicate, enrich and advance theory, research, policy and practice in these fields.</p> <p>As an international journal, the British Journal of Guidance & Counselling provides a high quality platform to authors from across the globe, and from diverse cultural backgrounds and disciplines.</p> <p>Manuscripts are published under three broad headings: (a) counselling and psychotherapy, (b) career counselling and career development in particular and (c) cross-disciplinary issues relevant to counselling, psychotherapy and career services.</p>
