

1. Record Nr.	UNICAMPANIAVAN0275072
Autore	Corriou, Jean-Pierre
Titolo	Numerical Methods and Optimization : Theory and Practice for Engineers / Jean-Pierre Corriou
Pubbl/distr/stampa	Cham, : Springer, 2021
Descrizione fisica	xx, 715 p. : ill. ; 24 cm
Soggetti	65-XX - Numerical analysis [MSC 2020] 35J25 - Boundary value problems for second-order elliptic equations [MSC 2020] 00A06 - Mathematics for nonmathematicians (engineering, social sciences, etc.) [MSC 2020] 65Mxx - Numerical methods for partial differential equations, initial value and time-dependent initial-boundary value problems [MSC 2020] 35J65 - Nonlinear boundary value problems for linear elliptic equations [MSC 2020] 35K65 - Degenerate parabolic equations [MSC 2020] 65F10 - Iterative numerical methods for linear systems [MSC 2020] 35K15 - Initial value problems for second-order parabolic equations [MSC 2020]
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
