1.	Record Nr.	UNICAMPANIAVAN0277651
	Autore	Chambert-Loir, Antoine
	Titolo	Information Theory : Three Theorems by Claude Shannon / Antoine Chambert-Loir
	Pubbl/distr/stampa	Cham, : Springer, 2022
	Descrizione fisica	xii, 209 p. : ill. ; 24 cm
	Soggetti	42A20 - Convergence and absolute convergence of Fourier and trigonometric series [MSC 2020]
		42A38 - Fourier and Fourier-Stieltjes transforms and other transforms of Fourier type [MSC 2020]
		94-XX - Information and communication theory, circuits [MSC 2020]
		94A12 - Signal theory (characterization, reconstruction, filtering, etc.) [MSC 2020]
		94A15 - Information theory (general) [MSC 2020]
		94A17 - Measures of information, entropy [MSC 2020]
		94A20 - Sampling theory in information and communication theory [MSC 2020]
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
