#### Sommario/riassunto

""A valuable addition to the literature by any measure and surely will prove its merit in years to come. The new knowledge that arises with its help will be impressive and of great benefit to humankind.""-From the Foreword by E. J. Corey, Nobel Prize Laureate An invaluable guide to name reactions and reagents for homologations Name Reactions for Homologations, Part II of Wiley's Comprehensive Name Reactions series comprises a comprehensive treatise on name reactions for homologations. With contributions from world-recognized authorities in the field, this reference
