Nota di contenuto	Navigation and data management -- Monitoring and decision making -- Coding and security -- Collaboration and workflow -- Routing and technology -- Topic and object tracking -- Short papers.
Sommario/riassunto	This book constitutes the refereed proceedings of the 16th International Conference on Innovations for Community Services, I4CS 2016, held in Vienna, Austria, in June 2016. The 12 revised full papers presented together with two short papers were carefully reviewed and selected from 30 submissions. The papers are organized in topical sections on navigation and data management; monitoring and decision making; coding and security; collaboration and workflow; routing and technology; topic and object tracking.
