| Sommario/riassunto | Analyst and author Ann Belford Ulanov draws on her years of clinical work and reflection to make the point that madness and creativity share a kinship, an insight that shakes both analysand and analyst to the core, reminding us as it does that the suffering places of the human psyche are inextricably-and, often inexplicably-related to the fountains of creativity, service, and even genius. She poses disturbing questions: How do we depend on order, when chaos is a necessary part of existence? What are we to make of evil-both that surrounding us and that within us? Is there a myth of mean |
