 among transnational Mexicans / Deborah A. Boehm -- Exiled by law :
 deportation and the inviability of life / Susan Bibler Coutin -- (Re)
 bordering the civic imaginary : rhetoric, hybridity, and citizenship in La
 Gran Marcha / Josue David Cisneros -- Left out but not shut down :
 political activism and the undocumented student movement / Roberto
 G. Gonzales -- From border control to border care : the political and
 ethical potential of surveillance / James P. Walsh.

Sommario/riassunto

"In the United States, immigration is generally seen as a law and order
 issue. Amidst increasing anti-immigrant sentiment, unauthorized
 migrants have been cast as lawbreakers. Governing Immigration
 Through Crime offers a comprehensive and accessible introduction to
 the use of crime and punishment to manage undocumented
 immigrants."- from publisher website

Looking forward: still engaged -- 10. Strategic interventions and ontological politics: research as political practice / Carol Bacchi.
Sommario/riassunto	This book illuminates, commemorates, and builds upon Bacchi's WPR approach. It outlines the trajectory of the development of the

WPR approach from Bacchis early engagements with feminist thinking, as an academic in scholarly environments which were often the preserve of men, towards the theoretical sophistication of an approach which requires an ongoing critical assessment of assumptions about the social world, social problems, policy agendas deemed to respond to those problems, and the researchers positioning.
