Sommario/riassunto

Drawing on hundreds of operas, singspiels, ballets, and plays with supernatural themes, Magic Flutes and Enchanted Forests argues that the tension between fantasy and Enlightenment-era rationality shaped some of the most important works of eighteenth-century musical theater and profoundly influenced how audiences and critics responded to them. David J. Buch reveals that despite-and perhaps even because of-their fundamental irrationality, fantastic and exotic themes acquired extraordinary force and popularity during the period, pervading theatrical works with music in the French, German, and It
