Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by William Bonner and Addison Wiggin in their book "Empire of Debt: The Rise of an Epic Financial Crisis". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case William Bonner's and Addison Wiggin's book. Bonner and Wiggin offer an in-depth look at the position of the U.S. and explain what led to the actual situation where government control of the economy, deficit spending and fearless military adventurism have replaced the succ
