Sommario/riassunto	The new s.elp Pocket Commentaries are reduced to essential information on current legal developments. With these short and handy books you can easily update your knowledge. The first volume deals with the new Rome II Regulation on the law applicable to non-contractual obligations, which became effective on 11.1.2009. Comprehensive and accessible analysis of the rules of the Rome II Regulation on the private international law of non-contractual obligations Coverage of practical issues such as international product liability, liability for environmental damage or non-contractual liability for unfair competition Written by a team of internationally orientated scholars
