Sommario/riassunto

"The Modern Studies in Property Law Conference has become well-known as a unique opportunity for property lawyers to meet and confer both formally and informally. The eighth biennial conference was held at the University of Oxford in March 2010, and this book is the sixth in the series Modern Studies in Property Law. The volume is a refereed and revised selection of the papers given at the Oxford conference, covering a broad range of topics of contemporary importance, both nationally and internationally. The book includes chapters written by the key speakers at the conference: Lady Justice Arden, Professor Kevin Gray and Law Commissioner, Professor Elizabeth Cooke."--Bloomsbury Publishing.
