

1. Record Nr.	UNINA990001071450403321
Autore	International Centre for Theoretical Physics
Titolo	Heavy-ion, high-spin states and nuclear structure : lectures presented at the international extended seminar on nuclear physics at Trieste from 17 September to 21 December 1973 organized by the International Centre for Theoretical : Physics, Trieste
Pubbl/distr/stampa	Vienna : International Atomic Energy Agency, 1975
ISBN	92-0-130075-1
Disciplina	530.143
Locazione	FI1
Collocazione	22B-022.014 22B-022.015
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	In testa al front.: International Centre for Theoretical Physics, Trieste.
