Information Systems Committee's Information Environment; E-measures; The impact of the JUBILEE Toolkit in institutions; Getting the value from evaluation; Strategies for collecting networked statistics; The eVALUEd toolkit; Counting on making a difference; COUNTER; E-measures: a comprehensive waste of time?; Evaluation in the Arts and Humanities Data Service

Sommario/riassunto

The emergence of electronic information services (EIS) in academic libraries has been accompanied by a growing interest in, and need for, research in this area. One of the key issues for both researchers and practitioners is keeping abreast of the development of EIS in a rapidly changing, uncertain environment.
