Collana	Artistry
Disciplina	741.26
Soggetti	Pen drawing Pen drawing - Technique
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Drawing with pen and ink has been a celebrated art form for centuries. In addition to ballpoint pen, today's pen-and-ink artists use a variety of tools, including fountain pens, graphic pens, and brushes to create photorealistic drawings. Pen & Ink, the premier title in Walter Foster's new Artistry series focusing on specialized fine-art mediums, combines practical instruction with inspirational art and photographs for a comprehensive guidebook designed to awaken a new generation of pen-and-ink enthusiasts. Professional pen-and-ink artists take readers on a creative journey through each of their distinct techniques, from learning basic pen techniques to stippling portraits and adding watercolor washes. Instructions for rendering each technique, as well as beautiful finished artwork across a variety of styles, give aspiring artists a contemporary look into working with pen and ink.
