

1. Record Nr.	UNINA990001093380403321
Autore	International Atomic Energy Agency
Titolo	Neutron capture gamma-ray spectroscopy : proceedings of the international symposium on neutron capture gamma-ray spectroscopy organized by Chalmers University of Technology and the University of Gothenburg and held in Studsvik, 11-15 August 1969
Pubbl/distr/stampa	Vienna : International Atomic Energy Agency, 1969
Collana	Proceedings series / International atomic energy agency
Disciplina	539.74 539.752
Locazione	F11
Collocazione	34AI-330 34AI-330.001
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
