Sommario/riassunto	The Gulf Coast villages of Bayou La Batre and Coden are two of Alabama's most distinctive, with roots going back to the French settlements of the 18th century. For generations, the proud inhabitants of these communities have extracted their modest livings from the sea, sustained by a lesson handed down over time- that providing for the needs of one's family is the only true measure of success. But the world has changed drastically for them. A global economy of higher gas prices and cheap imported seafood has threatened the lifeblood of the area. And in recent years a rash of hurricanes, c

Sommario/riassunto	Der "Mednyj vsadnik" wird in der Forschung seit jeher gemeinhin als eines der bedeutendsten Werke Puskins bezeichnet, wenn nicht gar als sein reifstes. Zumal die Vollkommenheit seiner formalen Ausgestaltung, zugleich aber auch deren Komplexitat wird dabei häufig

hervorgehoben. Schon dies wurde dem Poem legitimerweise die fortgesetzte Aufmerksamkeit der Wissenschaft sichern, und das nicht nur in der Sowjetunion, wo natürlicherweise die meisten Arbeiten über das Werk erschienen waren, sondern auch im westlichen Ausland.
