Nota di contenuto	Introduction: re-imagining colonial pasts, influencing colonial futures / Katherine H. Hayes and Craig N. Cipolla -- Part I: Colonial structures past and present -- Colonial consumption and community preservation: from trade beads to taffeta skirts / Craig N. Cipolla -- Globalizing poverty: the materiality of colonial inequality and marginalization / Paul R. Mullins and Timo Ylimaunu -- Indigeneity and diaspora: colonialism and the classification of displacement / Katherine H. Hayes -- Cultural colonization without colonial settlements: a case study in early iron age temperate Europe / Peter S. Wells -- Colonial encounters, time, and social innovation -- Rethinking colonialism: indigenous innovation and colonial inevitability / Stephen A. Mrozowski, D. Rae Gould, and Heather Law Pezzarossi -- Materializations of puritan ideology at Seventeenth-century Harvard College / Christina J. Hodge, Diana D. Loren, and Patricia Capone -- Working with descendant communities in the study of Roman Britain: fragments of an ethnographic project design / Richard Hingley -- The

archaeology of slavery resistance in ancient and modern times: an initial outlook from a Brazilian perspective / Lucio Menezes Ferreira and Pedro Paulo A. Funari -- Part II: Looking back, moving forward: comparative colonialism and the future -- Comparative colonialism and indigenous archaeology: exploring the intersections / Stephen W. Silliman -- Comparative colonialism: scales of analysis and contemporary resonances / Audrey Horning.

**Sommario/riassunto**

The editors have brought together archaeologists specializing in Old and New World colonialism, both ancient and modern, to explore colonial consequences by engaging in dialogue with one another over consumption practices, diaspora and movement, representations of time, and archaeology's connection to descendant communities in contemporary practice and interpretation.

#### Sommario/riassunto

Handbook of Applied Dog Behaviour and Training, Volume two: Etiology and Assessment of Behaviour Problems is the definitive reference for dog trainers, behaviourists, breeders and veterinarians. Coupled with Volume one, this text provides theoretical and practical framework for understanding the development and treatment of dog behaviour problems. Topics covered include Fear, anxiety and phobias, Separation-related problems, Hyperactivity, and Dominance, territorial, and fear-related aggression. The focus is to present and evaluate the relevant applied and scientific literature, and to hi
