Sommario/riassunto	Spatiality has risen to become a key concept in literary and cultural studies, with critical focus on the 'spatial turn' presenting a new approach to the traditional literary analyses of time and history. Robert T. Tally Jr. explores differing aspects of the spatial in literary studies today, providing: An overview of the spatial turn across literary theory, from historicism and postmodernism to postcolonialism and globalization Introductions to the major theorists of spatiality, including Michel Foucault, David Harvey, Edward Soja, Erich Auerbach, Geor
