Sommario/riassunto

In this challenging and at times controversial book, Ronald Carter addresses the discourse of 'English' as a subject of teaching and learning. Among the key topics investigated are: \* grammar\* correctness and standard English\* critical language awareness and literacy\* language and creativity\* the methodological integration of language and literature in the curriculum\* discourse theory and textual interpretation. Investigating English Discourse is a collection of revised, re-edited and newly written papers which contain extensive contrastive analyses
