Sommario/riassunto

In the second edition of their award-winning book, W. Timothy Coombs and Sherry J. Holladay provide a broad and thorough look at the field of public relations in the world today and assess its positive and negative impact on society's values, knowledge, and perceptions. Uses a range of global, contemporary examples, from multi-national corporations through to the non-profit sector Updated to include discussion of new issues, such as the role and limitations of social media; the emergence of Issues Management; how private politics is shaping corporate behavior;
