Sommario/riassunto

A Child of the Sea is the true story of Jimmy Cornell's daughter sailing around the world on the family's small yacht from the age of 7 to 14, based on Doina's diaries, letters and memories. From 1975 to 1981 the Cornell family visited 54 countries, sailed more than 68,000 miles, and travelled about the same distance overland. The story is told from Doina's point of view, although the main part of the book focuses on the family's three-year stay in the Pacific when she is aged between 10 and 13. Child of the Sea is unusual in that it gives a glimpse into a life that most young children could
