Sommario/riassunto	We entered the 21st Century full of anxiety, with the promised threat of a millennium bug that could potentially cripple our lives. Since then we have witnessed an increasing level of angst and despair across the world as warnings of climate change, and economic hardships have been forecast. Wars have raged, a new evil has entered our consciousness, and the word "terrorism" has come to the forefront of our lexicon. Millions of innocent people have lost their lives. Today we are witnessing t...
