Sommario/riassunto	The idea that you can "catch" cancer is radical, and yet several renowned scientists have shown that it is possible to do just that. Catching Cancer takes you inside a medical revolution and reveals the struggles of the scientists who persisted with their novel ideas despite opposition, disbelievers, and the challenges of expanding scientific frontiers in cancer research. Through interviews with the key players and an exploration of the science behind new discoveries, Claudia Cornwall reveals the key breakthroughs that se

4. Record Nr.	UNINA9910892956903321
Titolo	Indian Claims Commission proceedings
