Soggetti	Museums - Korea (South) Art museums - Korea (South)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The history of Korean museums goes back more than 100 years, to the opening of the Jesil Bangmulgwan in 1909. There are now 11 national museums in provincial cities throughout Korea, unified by the hub that is Seoul's iconic National Museum of Korea, completed in 2005, while the large number of regional, university, art, specialized and other museums continues to rise.
