Changing the Status Quo Appendix 1: Normal Emotions; Appendix 2: Hopes and Dreams; References; Useful Resources; Subject Index; Author Index; BACK COVER
Sommario/riassunto	Lawson outlines the theory behind the thinking and beliefs of Western society that have led to the building of a culture that fails to be inclusive. She describes what a wider concept of 'normal' means and how to access it, whether it's in social interaction, friendships, feelings, thoughts and desires or various other aspects of 'normality'
