Sommario/riassunto	<p>The Kai Gracen Series: Book Two Kai Gracen has no intention of being anyone's pawn. A pity Fate and SoCalGov have a different opinion on the matter. Licensed Stalkers make their living hunting down monsters and dangerous criminals... and their lives are usually brief, brutal, and thankless. Despite being elfin and cursed with a nearly immortal lifespan, Kai didn't expect to be any different. Then Ryder, the High Lord of the Southern Rise Court, arrived in San Diego, and Kai's not-so-mundane life went from mild mayhem to full-throttle chaos. Now an official liaison between the growing Sidhe Court and the human populace, Kai is at Ryder's beck and call for anything a High Lord might need a Stalker to do. Unfortunately for Kai, this means chasing down a flimsy rumor about an ancient lost Court somewhere in the Nevada desert--a court with powerful magics that might save Ryder's--and Kai's--people from becoming a bloody memory in their Merged world's violent history. The race for the elfin people's salvation opens unwelcome windows into Kai's murky past, and it could also slam the door on any future he might have with his own kind and Ryder.</p>
