## Sommario/riassunto

A guide to Islamic investment opportunities from the CEO of the world's leading Islamic finance bank Offering an insider's perspective on a rapidly growing sector of the financial industry, Investing in Islamic Funds details the basic principles of Islamic investing for Muslims and non-Muslims alike. It explains how Islamic equity and fixed-income products differ from traditional funds, and how they deliver excellent results while still conforming to Sharia principles. Using hard data from the last six years, the book also reveals how Islamic funds have offered predictable, reliable returns i
