Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references (p. 250-286) and indexes.
Nota di contenuto	Grieving without hope -- Anxious and fearful -- In need of reassurance -- Shaken and terrified -- Perseverance under threat -- Problem of exploiting charity and the conclusion -- Synthesis and conclusion.
Sommario/riassunto	This ground breaking analysis cuts to the heart of the critical debate surrounding the two Thessalonian Epistles. Colin R. Nicholl examines the situations giving rise to each Letter with a view to determining how the two relate historically. His book presents an original and compelling hypothesis, arguing that reflected in the Letters are two stages of a single crisis plaguing a recently formed Greek Church, which spiralled from hope into despair on account of confusion about 'the end'. In addition to making a fresh case for the authenticity of 2 Thessalonians and resolving one of the most difficult problems in the Bible - the identity of 'the Restrainer' - this monograph is a comprehensive analysis of the Thessalonian Epistles. It will provide an indispensable resource for scholars and pastors interested in the Thessalonian correspondence.
