Sommario/riassunto	The book explores, from a comparative and inter-disciplinary perspective, the relationship between fundamental rights and private law in Europe, a debate usually referred to as <i>Drittwirkung</i> or 'horizontal effect of fundamental rights'. It discusses the different models of 'horizontal effect' and the impact that fundamental rights may have in shaping tort law, especially the position of child tortfeasors. The book concentrates on several European jurisdictions, namely France, Italy, Germany, Portugal, Sweden, Finland, and England and Wales. At a crossroad between human righ
