Sommario/riassunto	For two and a half years, Amanda Czerniawski was a sociologist turned plus-size model. Journeying into a world where, as a size 10, she was not considered an average body type, but rather, for the fashion industry, "plus-sized," Czerniawski studied the standards of work and image production in the plus-sized model industry. Fashioning Fat takes us through a model's day-to-day activities, first at open calls at modeling agencies and then through the fashion shows and photo shoots. Czerniawski also interviewed 35 plus-size models about their lives in the world of fashion, bringing to life the st
