Sommario/riassunto	Putting Assessment for Learning into Practice is about the purpose of teaching and assessment as a means to ensuring deep, maximised, engaged and challenging learning. The simple message is good teaching can overcome bad testing and central to assessment for learning is empowering learners through developing learning autonomy. This means involving learners in their own learning through reflection but also as co-constructors and co-negotiators of their learning. This book is for all teachers and school leaders who are committed to ensuring learners are engaged in successful, meaningful and deep

Sommario/riassunto	Increasingly, environmental decision making is like playing a multidimensional game of chess. With interactions between the atmosphere, the litho-hydrosphere, and the biosphere, the game is at

once a measure of complexity, uncertainty, interdisciplinary acuity, social-environmental sustainability, and social justice for all generations. As such, it demands a systemic point of view. Decision Making for a Sustainable Environment: A Systemic Approach gives readers the tools to replace the dysfunctional, symptomatic decision making that has plunged the world into envir
