Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Smart home and village -- Health telematics and healthcare technology -- Wellbeing, ageing friendly and enabling technology -- Medical health telematics and healthcare technology -- Student papers -- Short papers.
Sommario/riassunto	This book constitutes the refereed proceedings of the 9th International

Conference on Smart Homes and Health Telematics, ICOST 2011, held in Montreal, Canada, in June 2011. The 25 revised full papers presented together with 16 short papers and 8 student papers were carefully reviewed and selected from 94 submissions. The papers are organized in topical sections on smart home and village; health telematics and healthcare technology; wellbeing, ageing friendly and enabling technology; and medical health telematics and healthcare technology.
